

DESIGN YOUR FUTURE

Don't stop at one! Design multiple possible futures for yourself!!

DO THIS BOX FIRST!

NOW	HIGH SCHOOL	AFTER HIGH SCHOOL	POSSIBLE FUTURE CAREER/LIFE

Looking at the career/life you have described in the last box, what are some things you can start doing NOW to work toward that goal?

Looking at the career/life you have described in the last box, what are some things you can be doing before you finish high school?

Looking at the career/life you have described in the last box, what will you need to do after high school to work toward this future?

Describe your future life. Add as much detail as you like. What kind of work life do you want? What field do you want to be working in? Other life goals that you want to make sure are part of your life experience.

It's okay to have questions in the first 3 boxes instead of actions!

What do you need to know first to figure out your actions?

What from your brainstorm led you here?
