Join us in Innovating the Education-to-Career Experience to Strengthen Student Success

For many Sonoma County students, the path after high school isn't clear. Some face barriers - financial struggles, lack of support or simply not knowing what opportunities exist. **With CTE Foundation, you have the power to change lives.**

CTE Foundation's approach to career-connected learning gives students the skills, confidence and sense of purpose they need to prepare for a future that excites them the most.

Every gift makes a difference. Your support stays local; creating opportunities that last a lifetime for Sonoma County students is easy!

The Impact of Your Support

When employees like you give, here's what becomes possible: CTE Foundation has invested over **\$18.2 million** in **145+** Sonoma County schools, supporting **career-connected programs** in healthcare, construction, engineering, agriculture and more, reaching more than **29,000 students** since 2012.

KEYSIGHT
TECHNOLOGIES

"CTE Foundation is shaping the future of our community. As an employer, I see firsthand the difference it makes when students graduate with real-world skills and confidence.

That's why I give - because supporting CTE is more than a donation, it's an investment in Sonoma County's future workforce and prosperity."

-Diego Latorre, Keysight Technologies

Ways of Giving

Check with your Employer

Ask your company or organization about Employee Giving programs already in place.

Payroll Contributions

Many employers allow you to give automatically through small, recurring payroll contributions.

Matching Gifts

Your company might have matching dollars, doubling or even tripling your impact.

Direct Giving

Make a one-time or recurring tax-deductible donation.

Your contribution - **no matter the size** - helps connect students' ambitions with opportunities and prepares them for success.

Talk to your employer today to discover the giving opportunities available at your organization - **and start making an impact!**
